**No more barb wires,  
forest department to make Delhi Ridge wildlife-friendly**

[Click here for the full post](#)

After the wildlife died in the barbed wire, the chief wildlife warden ordered for the removal of the barbed wire, the DDA did not remove the barbed wire, then the ridge management board had a meeting and told the press that all the barbed wire will get removed. After several months passed by the barbed wire has still not been removed and continues to trap, injure and kill wildlife living in the forest.

### De-Choke Trees

The Hon'ble National Green Tribunal in its order dated 23rd April 2013 has directed all Public Authorities to ensure that all the sign boards, names, advertisements, any kind of boards or signage's, electric wires and high tension cables or otherwise are removed from the trees.

They shall also ensure that the concrete surrounding the trees within one meter of the trees are removed and all the trees are looked after well and due precaution is taken in future so that no concrete or construction or repairing work is done at least within one meter radius of the trunk of trees.
