### Special Workshop held at Goa- "Conservation Conversation"

Our December kickstarted with an environment friendly initiative comprising of a mindful workshop on "Conservation Conversation". The workshop was held on 3rd December, 2020 at DGOS , South Uddo beach, Siolim, Goa. It was joined by locals and had special presence of Mr. Verhaen Khanna, Founder- NDNS and Mr. Atul Sarin , Founder-WAG (Welfare for Animals,Goa), who put forth their thoughts.

Beach clean up drive along with live music, Experimental Electronica by Pran and Saxophone by Olavo made for the main highlight of the workshop that was not only fun packed, but was also directly aimed at thewelfare of nature.

## Air quality levels in the Capital dropping low

Here is an ariel view of the capital, clearly showing the blanket of smog. The air quality is dropping to seriously low levels with every coming day! What are we breathing in? Heaps of harmful toxins?

### De-Choke Trees

The Hon'ble National Green Tribunal in its order dated 23rd April 2013 has directed all Public Authorities to ensure that all the sign boards, names, advertisements, any kind of boards or signage's, electric wires and high tension cables or otherwise are removed from the trees.

They shall also ensure that the concrete surrounding the trees within one meter of the trees are removed and all the trees are looked after well and due precaution is taken in future so that no concrete or construction or repairing work is done at least within one meter radius of the trunk of trees.
