NDNS Needs Your Help

New Delhi Nature Society has helped to save numerous trees and animals across the capital over the years. Every day we get calls from different parts of the city, where people request us for assistance. Animals need to be rescued, trees need to be saved, and we have to attend meetings to revive water bodies and survey biodiversity parks, etc. We need to conduct site inspections regularly. A lot of our fieldwork is directly related to our litigation for environment conservation. For all this work we need to have a mode of conveyance, and sometimes we are left helpless and stranded since our organization does not own any vehicle at the moment.

We are reaching out to all our supporters for some help to get our first vehicle. So, if you can help us with an old vehicle which is in good working condition, or help us to raise funds to buy a new vehicle, then it would greatly help in our work. We require a large vehicle which will be very helpful to travel with animals, also it can be helpful to save a fallen tree. We require an SUV so that we can access all terrains in and around the city.

If we get a single donor, their name / donating company name will be printed on the sides of the vehicle. If multiple donors can contribute funds for a new vehicle, our organization will issue an 80G receipt for the donors. For more information, please contact us at newdelhinaturesociety@gmail.com.

Plans for September

FIREFLIES WALK IN HAUZ KHAS

One of the initiatives taken by New Delhi Nature Society to connect people with nature. The "Fireflies workshop" aims to introduce people to the beauty of nature and let them experience the old times when fireflies used to rule the night.

रात में खास जगहों पर पर्यावरण प्रेमियों का 'जुगनू वाक'

■ विशेष संवाददाता, नई दिल्ली

रात के अंधेरे में कुछ खास जगहों पर पर्यावरण प्रेमी इन दिनों 'जुगनू वाक' को देखने जुटे हैं। 'जुगनू वाक' के लिए एक ग्रुप में लोगों की संख्या 20 से ज्यादा नहीं होती। इनका मकसद सिर्फ जुगनूओं की रोशनी को देखना होता है। छोट्टे ग्रुप में ये लोग इसलिए जुते हैं ताकि जुगनू इनकी बख्श से परेशान न हो।

आयोजक के अनुसार पिछले कुछ साल से यह बॉक लगातार मानसून के दौरान होती है। हम लोग एक जगह तक जाकर रुक जाते हैं और फिर जुगनूओं को देखते हैं। यदि इन जगहों के बारे में लोगों को पता चल जाए तो डर है कि ये सलामी पॉइंट या पिकनिक स्पॉट बन

हर साल मानसून के 2 महीने में जुगनू देखने के लिए प्रकृति प्रेमियों की बॉक का आयोजन किया जाता है

जुगनू बॉक के आयोजक नई दिल्ली नेचर सोसाइटी के फाउंडर विवेक खन्ना ने बताया कि हर साल मानसून के दो महीने में इन्हें देखने के लिए प्रकृति प्रेमियों की बॉक का आयोजन यह करवाते हैं। 20 से अधिक लोग

यक्यानी में जुगनूओं की संख्या में काफी गिरावट हो रही है। जुगनू आवादी से दूर जंगलों के ऐसे इलाकों में नजर आते हैं जहां अभी मानव व निवेशियां नहीं हो रही हैं। एसी जगह अब कम हो गई हैं, इसलिए इन्हें तलाश रखने

क्यों सिमट रहे हैं जुगनू

विरहेन के अनुसार राजधानी में रहने वाले अधिकांश लोगों ने कभी जुगनू नहीं देखे। इसकी कड़क यह है कि जुगनू आवादी से दूर, नगी भरे इलाकों में मानसून के दौरान हजारों के देखने के लिए ही दिखाई देते हैं। इन्हें अंडे देने के लिए फनी की जरूरत होती है। जब ये रोशनी से दूर रहना पसंद करते हैं।

We're Hiring!

We are looking for candidates interested in an Internship and/or full-time work. We have multiple projects which we are working on.

Send your CV to us at newdelhinaturesociety@gmail.com to apply.

De-Choke Trees

The Hon'ble National Green Tribunal in its order dated 23rd April 2013 has directed all Public Authorities to ensure that all the sign boards, names, advertisements, any kind of boards or signage's, electric wires and high tension cables or otherwise are removed from the trees.

They shall also ensure that the concrete surrounding the trees within one meter of the trees are removed and all the trees are looked after well and due precaution is taken in future so that no concrete or construction or repairing work is done at least within one meter radius of the trunk of trees.
