### ASIZA'22

Mr. Verhaen Khanna, founder at NDNS, spoke about wildlife conservation at Hindu College, Delhi University. Students wrote postcards to the chief wildlife warden to save wildlife living on trees which get disturbed due to tree felling and transplantation.

### PRITHVI

Inter college debate competition at college of Vocational Studies, Delhi University. The topics were great, the participants were amazing and judging them was super difficult because they were all so good.

### BHARTI COLLEGE

Students of Bharati College, Delhi University, attended a video conference session with NDNS founder and president, Mr. Verhaen Khanna, regarding environment conservation.

### TEDXGGSIPU

Mr Verhaen Khanna, was invited to speak about saving trees at TEDXGGSIPU

### **TREE BLINDNESS**

Tree Blindness is real.

It is a disease where the patient is unable to see trees around them.

Sometimes they walk into trees, sometimes they drive in to trees, and if a tree is cut outside their own house, they wouldn't even notice that it's missing.

### Donate a book to the NDNS library

THANK YOU to all the amazing people who have donated nature-related books towards the #newdelhinaturesociety library.

You can also donate books to NDNS and help build the library.

Visit our website for more details: [www.ndns.in](http://www.ndns.in)

### We're Hiring!

We are looking for candidates interested in an Internship and/or full-time work.

We have multiple projects which we are working on.

Send your CV to us at [newdelhinaturesociety@gmail.com](mailto:newdelhinaturesociety@gmail.com) to apply.

## De-Choke Trees

The Hon'ble National Green Tribunal in its order dated 23rd April 2013 has directed all Public Authorities to ensure that all the sign boards, names, advertisements, any kind of boards or signage's, electric wires and high tension cables or otherwise are removed from the trees.

They shall also ensure that the concrete surrounding the trees within one meter of the trees are removed and all the trees are looked after well and due precaution is taken in future so that no concrete or construction or repairing work is done at least within one meter radius of the trunk of trees.

### NDNS Needs Your Help

New Delhi Nature Society has helped to save numerous trees and animals across the capital over the years. Every day we get calls from different parts of the city, where people request us for assistance. Animals need to be rescued, trees need to be saved, and we have to attend meetings to revive water bodies and survey biodiversity parks, etc. We need to conduct site inspections regularly. A lot of our fieldwork is directly related to our litigation for environment conservation. For all this work we need to have a mode of conveyance, and sometimes we are left helpless and stranded since our organization does not own any vehicle at the moment.

We are reaching out to all our supporters for some help to get our first vehicle. So, if you can help us with an old vehicle which is in good working condition, or help us to raise funds to buy a new vehicle, then it would greatly help in our work. We require a large vehicle which will be very helpful to travel with animals, also it can be helpful to save a fallen tree. We require an SUV so that we can access all terrains in and around the city.

If we get a single donor, their name / donating company name will be printed on the sides of the vehicle. If multiple donors can contribute funds for a new vehicle, our organization will issue an 80G receipt for the donors. For more information, please contact us at [newdelhinaturesociety@gmail.com](mailto:newdelhinaturesociety@gmail.com).
