## BLOGS

### ABOUT THE AUTHOR

Riya Mehtani is an aspiring psychologist, she adores animals and bugs and loves spending time in nature.

### A Guide to Identifying Butterflies

When was the last time you took a minute to go out into your garden or balcony to observe nature? We are all so busy that we rarely take out time to enjoy the beauty of nature. Here is a beginner's guide to identifying common butterflies in Delhi. All you need is a few minutes and some sunlight

### Eco-Friendly Products For You

Most of us are aware of the fact that we are destroying our planet. Our practices and products have a detrimental impact on our environment. Although the focus on replacing plastic products with eco-friendly products has increased, the impact that plastic has on our surroundings.

### Donate a book to the NDNS library

THANK YOU to all the amazing people who have donated nature-related books towards the #newdelhinaturesociety library.

You can also donate books to NDNS and help build the library.

Visit our website for more details: [www.ndns.in](http://www.ndns.in)

### We're Hiring!

We are looking for candidates interested in an Internship and/or full-time work.

We have multiple projects which we are working on.

Send your CV to us at [newdelhinaturesociety@gmail.com](mailto:newdelhinaturesociety@gmail.com) to apply.

### De-Choke Trees

The Hon'ble National Green Tribunal in its order dated 23rd April 2013 has directed all Public Authorities to ensure that all the sign boards, names, advertisements, any kind of boards or signage's, electric wires and high tension cables or otherwise are removed from the trees.

They shall also ensure that the concrete surrounding the trees within one meter of the trees are removed and all the trees are looked after well and due precaution is taken in future so that no concrete or construction or repairing work is done at least within one meter radius of the trunk of trees.
